Ms. Cook’s Classroom COPPA Compliance Consent

Dear Parents/Guardians,

I am committed to providing my students with the most effective, educational web-based tools and applications. I would like to use some or all of the sites listed at <http://www.teresac.com/3rd-party-tools--services.html>. In order to create an account for your student, I must comply with federal regulations requiring parental consent as outlined below. Please take a moment to review the sites listed.

Our class utilizes several web-based sites and apps that are operated by third party services. In order for our students to access these programs and services, basic student information must be provided to the third parties. Under the *Children’s Online Privacy Protection Act (COPPA)*, these web-based tools and applications must notify parents and obtain verifiable parental consent before collecting this information from children under 13 years of age. In addition, under this law, schools are permitted to consent to the collection of this information on behalf of its students. This eliminates the need for individual parental consent given directly to each website or app provider. For additional information regarding COPPA, please visit: www.ftc.gov/privacy/coppafaqs.shtm.

This form will constitute verifiable parental consent to provide personal identifying information for your child that may consist of first name, last name, username, birthdate, and, if applicable, email address in order to create an account on any of the listed websites. To view the terms of use and the privacy policy for this web-based tool, please visit the following link <http://www.teresac.com/3rd-party-tools--services.html>. I have posted the site’s Privacy Policy and/or Terms of Use on this page. They have been updated to reflect current policies and practices under the changes in the GDPR (*General Data Protection Regulation*.) **Please be aware that this list may be added to as curriculum dictates.**

If you have any questions regarding this web-based tool, please contact me at 707-453-6280 ext. 246 or teresac@vacavilleusd.org.

Thank you,

Ms. Terresa Cook
